TALON 1979

Volume XVI
Charles E. Jordan High School
Durham, N.C. 27707

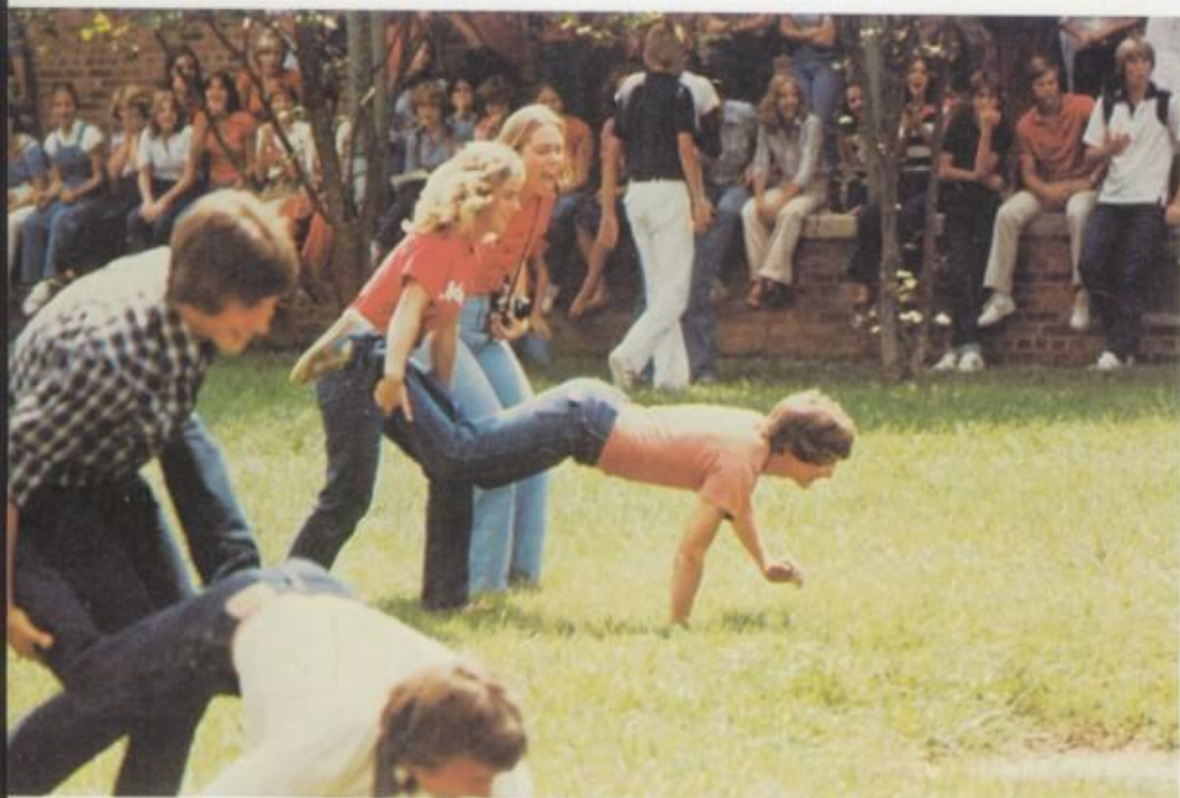

The 1978-79 Talon attempts to capture the unique *spirit* of unity and comradeship which grew within the student body and faculty at Charles E. Jordan High School this year.

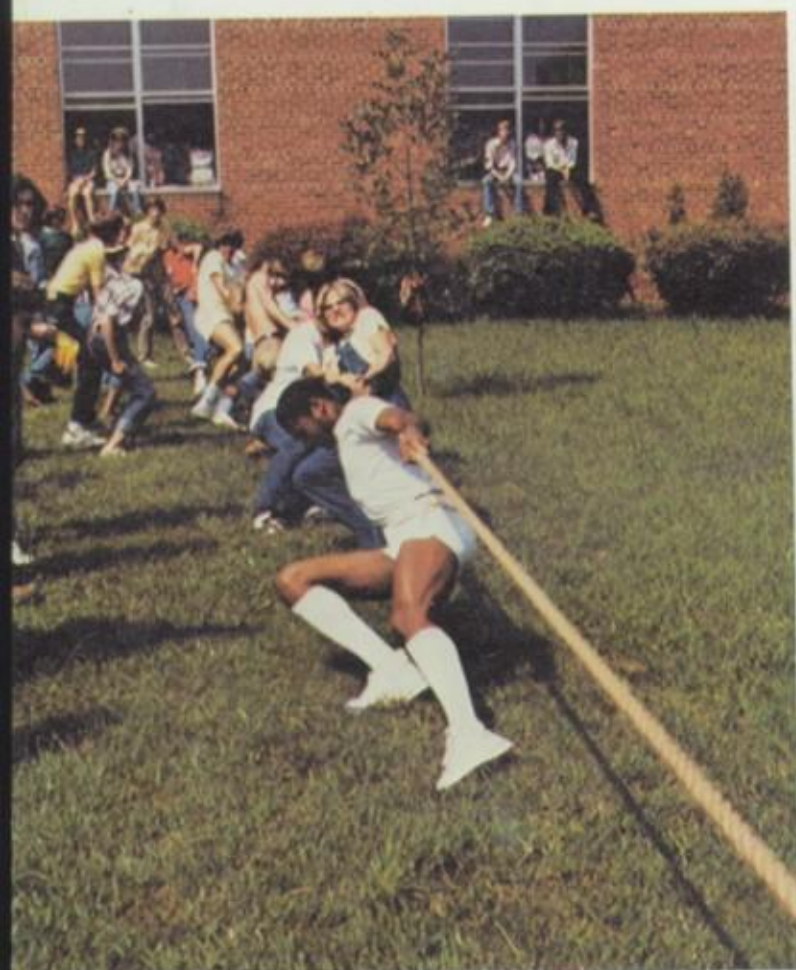

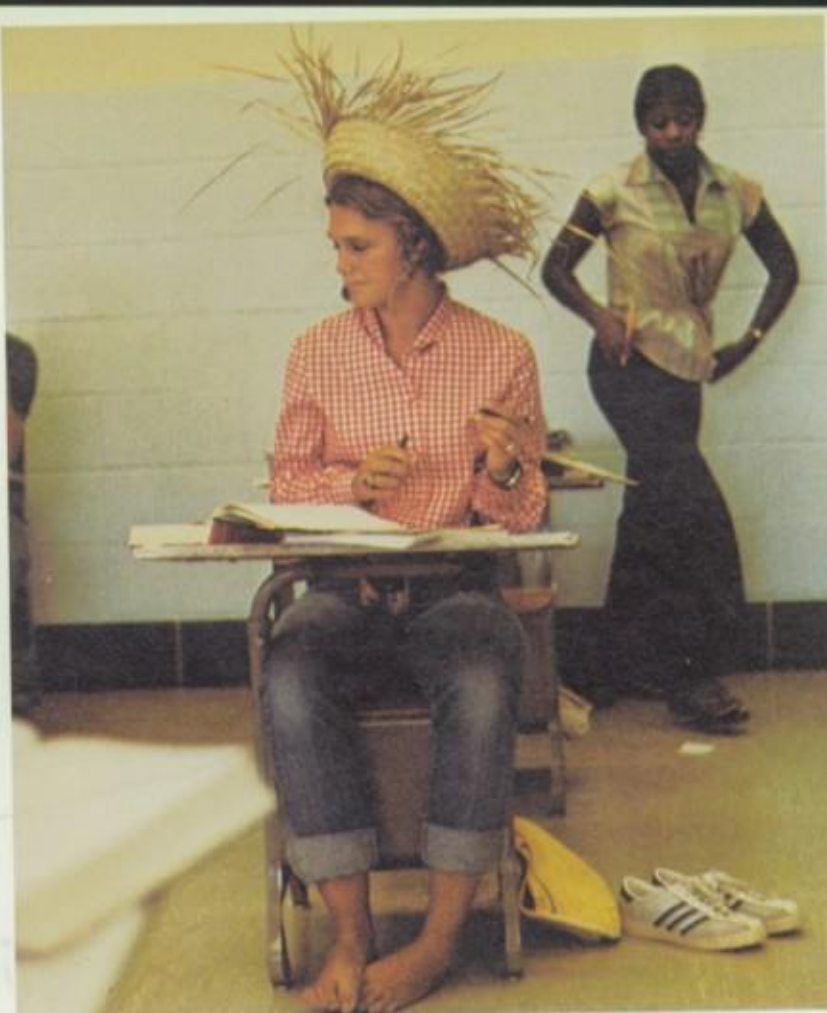

Homecoming Capers

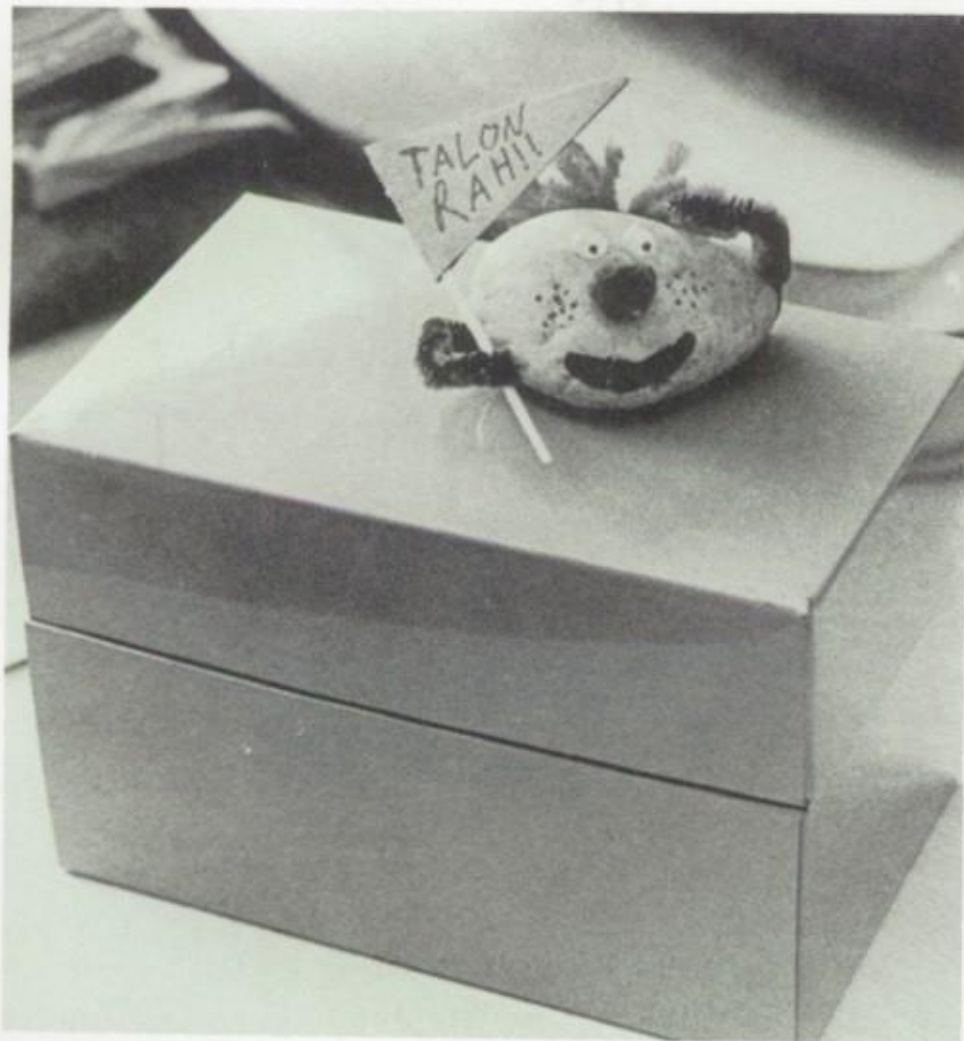

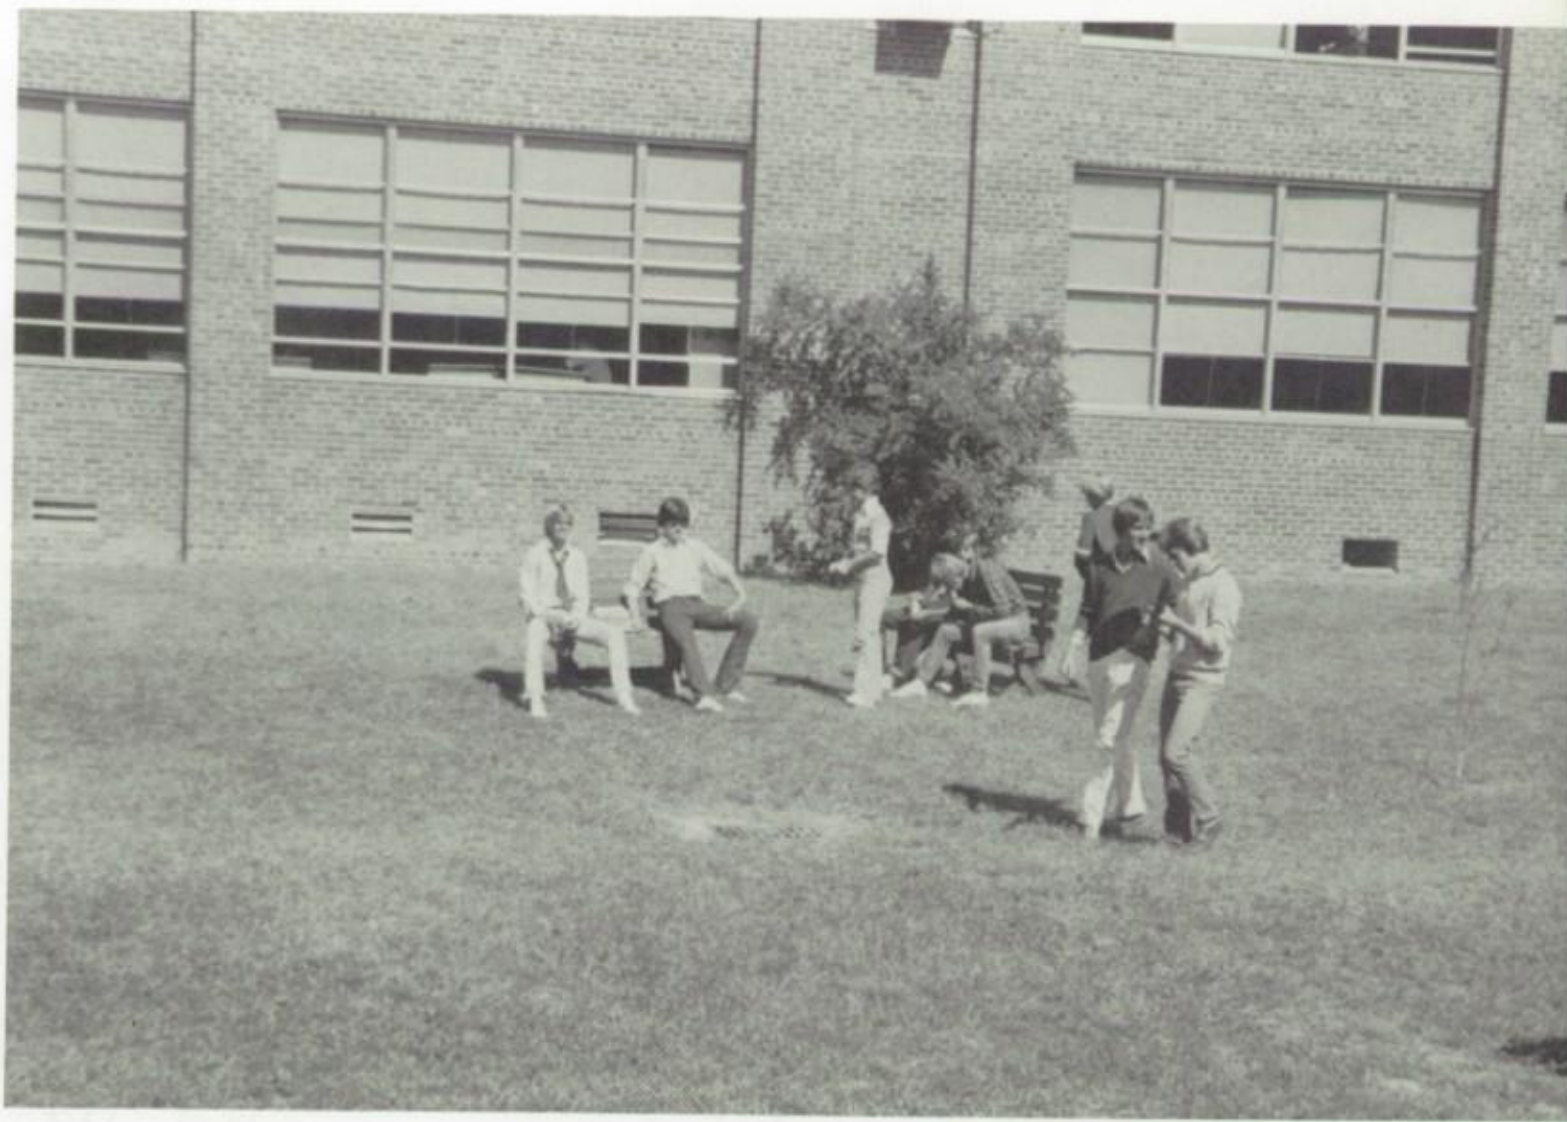

The first day of Jordan High School's 1978 Homecoming Week gave students a chance to don their school colors. BLUE AND RED DAY lunch-time relays found the mighty Falcons strutting their school colors from their beaks to their talons.

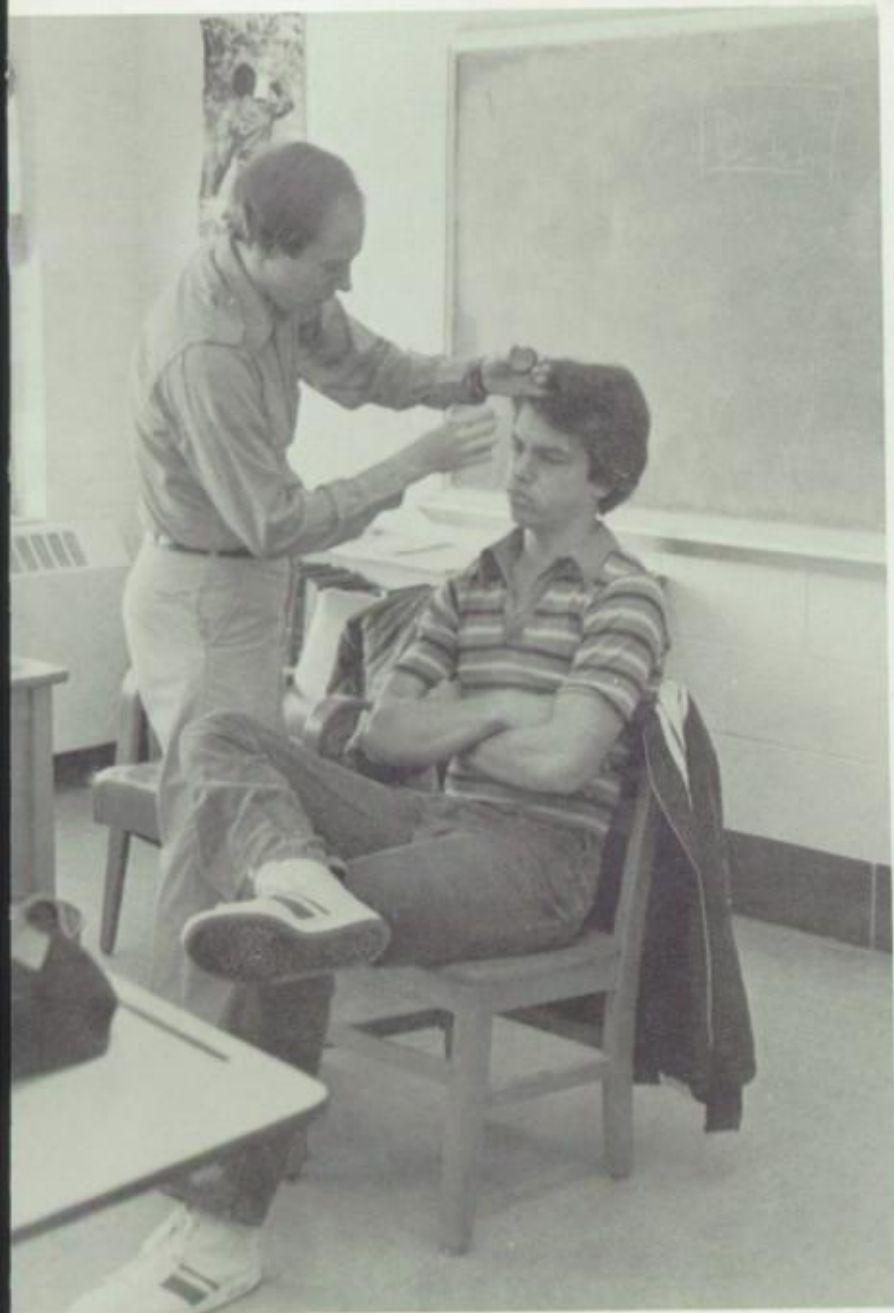

Our country cousins turned out in overalls and straw hats on HILLBILLY DAY. We all had a stompin' good time hootin' and hollerin' for our classes in the courtyard tug-o-war. Shades of Hollywood, Hawaii, and Miami were all about as JHS students and teachers went all out to make TACKY TOURIST DAY a *spirited* climax to the 1978 Homecoming Week.

The RAHS, colorful rock characters, created by the Talon staff, added a new dimension to Homecoming Week.

JHS Has the *Spirit!*

1978 Homecoming

Homecoming night was an exciting end to a joyous week of festivities and a time to welcome returning graduates. The *spirited* class of 1979 crowned Cindy Furlow queen and announced the Sophomores as the winners of the mural competition. The night ended with a dance to celebrate the team's 34-0 victory over Western Harnett.

Powderpuff Clashes

Courageous ladies traded their skirts, high heels and pantyhose for gym shorts, t-shirts, and sweat socks to demonstrate their school *spirit* by participating in the Homecoming Class Competition.

The Sophomore girls proved that underclassmen are not always the underdogs when they defeated the Juniors and Seniors to become the Powderpuff champs.

Victory*

Rockin'-n-Rollin'

Martian Madness

Pointed ears, antennae, and green skin were everywhere on MARTIAN DAY as the Falcons were mysteriously transformed into alien beings who joined in the *spirited* fun of Homecoming Week. FIFTY'S DAY began with a police escorted caravan of Falcons, resembling the cast of Happy Days. They rolled into the Jordan parking lot to begin a fun-filled day that peaked at noon with a sock hop and entertainment by our own Na Na Sha.

Student Council members devoted many hours to planning and guiding a lively Homecoming Week that will provide lasting Memories.

The staff of the 1979 Talon would like to thank the editors of previous years who contributed to making color possible in the 1979 Talon. Many color pictures were contributed by Mr. Duke Scott in memory of his daughter, Susan. We extend our warmest appreciation to the McKneelys and the Winslows for their generous support. We would also like to thank Miss Simon, who provided the leadership and incentive necessary for the creation of the Talon.

To Kim,

Even though I'm a whole
school year behind signing your
year book I think signing your
never right? Fight! But getting to the point,
you have been one of the craziest, looneyest, meanest,
people I have had the pleasure of knowing since I've
been in Durham. All those talks that we had on your porch
at night when I kept on saying "I'm going home" but I never got there
until I finally put my foot down and decided to do so. But even though I
always manage to over stay my welcome, I always enjoy myself because I have
a hut side from laughing so hard. Well I have a lot more to say but I don't want to be
quaddy. (smile) May you have the best of luck this year because you are definately going
to need it. ha! ha! ha! Well I'll see you in the near future hopefully.

Later Dis.  All you in the
highway supposed to turn
out a wink, but I missed up.

Love Always,
Carmel Jacobs

M:Kim

One of the dumbest,
but nicest friends
that I have. It's
been real nice knowing
you all of these yrs.

(5 to be exact, but who's
counting?) Well, I won't
write much since we're
neighbors. And I know
that we've gonna have
fun this summer.
My only advice for you
is to stay silly.
